Find the perfect fit with black pants and you'll open up endless wardrobe options from work to weekends.

Relax nine-to-five styles with less-structured, get office-appropriate attire. Add slides for comfort.

Invest in a wrap for its versatility and figure-flattering ability. This look will take you anywhere!

Dress down your basics with casual accessories to create a relaxed outfit that's still stylishly put together.

Lengthen legs while remaining comfy with on-trend espadrilles.

Use belts to nip in the waistline and create an hour-glass shape.

Combining the right basics updates your look. Blazers are a staple as they offer a classic finish for simple styles.
