The image is a fashion catalog page for the brand SARA. It features a woman with long dark hair and gold hoop earrings, smiling and standing on a sandy beach with the ocean in the background. She is wearing a long, flowing maxi dress with a vibrant red, white, and grey geometric pattern. The dress has a square neckline and thin straps. Text overlays on the image include the brand name 'SARA' with the tagline 'WHERE SIZE IS A PLUS' in the top right corner. To the left of the woman, the text 'FG' is visible, followed by 'CROSS BACK MAXI DRESS' and the price '\$129.99'. A small circular icon with a left arrow and the text 'cross back' is also present. A large, bold, black serif font spells out 'BOHEME' across the lower half of the image, with the word 'BEAUTIFUL' in a smaller font above it. At the bottom right, there is a call to action: 'CALL FREE 1800 148 148 ezibuy.com'. The entire page is framed by a solid coral-colored border.

Celebrate your SHAPEWEAR

Invest in comfort and quality – it'll be worth it!

THE SCULPTING SLIP
Best for: Creating a bump-free silhouette

After a fuss-free streamline shape? An all-in-one body sculptor is going to slim and hold you in at the same time. Look for one with an in-built bra and cling-resistant fabric – they're the ideal option beneath a form-fitting dress and figure-hugging skirts.

THE BODYSUIT
Best for: Slimming the mid-section

A seam-free bodysuit sculpts and smooths the stomach and torso, working much like a corset as it pulls you in. Perfect beneath a jumpsuit where you want to cinch in the waist, or wherever you need to pinch in your mid-section.

Shaping bodysuit \$36.95 (10-18)

Jumpsuit Portmans \$199.95 (6-16) Earrings Lovisa \$17.99 Shoes Ziera \$199.95

THE SHAPING SHORTS
Best for: Shrinking your lower region

Narrow your problem areas with a pair of fitted shorts that support as well as lift your bottom. Long leg lengths will also slim the thighs, but make sure you are properly fitted as even a half size off from perfection will create indentations in all the wrong places.
